Hot Stamp Supply Company is a value added distributor of high quality, premium brand foils, dies and presses. We also offer a variety of custom services and expert technical support. Customer service is our specialty! Call us for custom slit rolls, recommendations on foils and dies, samples and technical troubleshooting!

**EB Foils® Overview**
High quality EB Foils™ are specifically formulated for use on medium density fiberboard, real wood, some grades of particleboard and hardboard. Decorative and functional, EB foils can be applied on flat surfaces, profiles and contour edges. These foils feature a clean release, excellent adhesion and are available with top coats of Armorite™ and Armorite Plus™ for exceptional protection against marring, scratching and abrasion.

**Applications**
- Furniture
- Kitchen and television cabinets
- Case goods
- Trophy / award plaques
- Window trim
- Doors
- Moldings
- Flooring

**Customization**
Pre-slit EB foils come on 3" cores in widths of 3/4", 1", 1 1/4", 1 1/2" and 2". All come in 2,500' lengths. Custom orders are also available in master rolls of 20" and 24”, customized in width and length to suite your application. Widths range from 3/4” up to 20” or 24” in 1/4” increments. Lengths range from 1,000’ to 5,000’ in 500’ increments. Both 1” and 3” cores are available.
